# RATIONALE

The Rainy River District School Board Code of Conduct sets clear standards of behaviour. A school should be a place that promotes responsibility, respect, civility, and academic excellence in a safe learning and teaching environment. A positive school climate exists when all members of the school community feel safe, comfortable, and accepted. All students, parents, teachers, and staff members have the right to be safe, and to feel safe, in their school community. With this right comes the responsibility to contribute to a positive school climate. Responsible citizenship involves appropriate participation in the civic life of the school community. Active and engaged citizens are aware of their rights, but more importantly, they accept responsibility for protecting their rights and the rights of others.

The promotion of strategies and initiatives such as Student Success and character development, along with the employment of prevention and intervention strategies to address inappropriate behaviour, fosters a positive school climate that supports academic achievement for all students.

## Code of Conduct Guidelines:

- All members of the school community are to be treated with respect and dignity, especially persons in positions of authority.
- All members of the school community promote the safety of people in the schools.
- All members of the school community discourage the use of alcohol and illegal and/or restricted drugs and, cannabis, except by a person who is prescribed medical cannabis.
